Sir / Madam

Apropos to the subject cited above, it is to intimate your good self that this college has released Rs. 222.469 Lacs and is left only with Rs. 27.37 Lacs out of the released amount of Rs. 250.00 Lacs after returning the interest amount to the UGC. The Slab work of all the three flours has been completed so far for which the payment has been released. The truss work is 80% (appx) complete which shall be followed by the partition walls. It is pertinent to mention here that the allotted cost for the structure work is Rs. 293.64 Lacs.

As the work is progressing at good pace, the remaining amount of Rs. 249.00 Lacs may kindly be released to this college so that the payment of structure work could be done and the R&B department could float tenders for the remaining works.
