

ACTION TAKEN REPORT ON FEEDBACK FROM VARIOUS STAKEHOLDERS DURING 2021

The feedback received from different stakeholders on syllabus and its transaction was analysed and the following directions were passed. The teachers were directed to encourage the students to participate in extra-curricular, co-curricular activities, innovative programmes and research projects. Teachers were also stimulated to frequently use the ICT facilities available in the college and focus on blended mode of learning. The teachers were encouraged to approach the concerned departments at University of Kashmir for their registration as Board of Studies (BOS) members so that there will be proper representation of faculty in framing of the syllabus. The departments were asked to update the relevant text books, reference books, magazines and related subject and research journals. Field trips and subject tours to be accelerated for students so that they will be acquainted with practical knowledge of the subject.
