

**ACTION TAKEN REPORT ON
FEEDBACK FROM VARIOUS STAKEHOLDERS
Feedback 2020**

While analysing the feedback from different stakeholders on syllabus and its transaction the following observations were made and accordingly some of the actions were contemplated.

1. The teachers were asked to encourage the students to participate in extra-curricular, co-curricular activities and research projects.
2. Teachers were also advised to expedite the use of ICT facilities available in the college and focus on blended mode of learning.
3. The teachers were asked to take up issues related to the syllabi with their concerned Board of Studies (BOS) members so that there will be proper representation of faculty in framing of the syllabus.
4. The departments were asked to update the relevant books and related journals.
5. Field trips and subject tours need to be organised on regular basis so that students will be acquainted with practical knowledge of the subject.
