

Report World Wetland Day

A one day webinar on eve of World Wetland Day was organized by the Eco Club of GDC Women Pulwama on 2nd Feb, 2023 at 12 pm. The worthy principal of the college Prof. (Dr.) Yasmeen Farooq proposed the welcome address and discussed about importance of wetlands and conservation. The resource person of the webinar was Dr. Aftab Ahmad Bhat, Assistant Professor, Department of Environmental Science GDC Beerwah Budgam (J&K). The resource person in his power point presentation discussed about the conservation, restoration and ecosystem services of wetlands with special reference to the wetlands of Kashmir valley. At the end of the webinar was question and answer session for half an hour in which the resource person and convener Eco Club (Dr Hamidullah Wani, Associate Professor Geology) responded to the queries of the participants. The webinar was attended by faculty members and students from different colleges (46 participants). The webinar ended with vote of thanks proposed by Dr Tariq Ahmad Dar, Assistant Professor Botany (Co-convener Eco Club).
