## Cleanliness Drive at GDC Women Pulwama under Swachh Bharat Swasth Bharat Abhiyaan

Our College organized Cleanliness Drive under Swachh Bharat Swasth Bharat Abhiyaan Programme on 07/07/2022. The main purpose of this programme was to create awareness among the students regarding Cleanliness and its benefits.

Under this programme, all the NSS Volunteers and College students from all the semesters participated in this programme. Worthy Principal Dr. Farooq Yasmeen, NSS Programme Officers and other faculty members were the essential part of this drive. As a part of this Cleanliness Drive, we had to clean the whole College. The sweepers of the college also joined the drive.

Our Principal started the programme by cleaning the corners of the play ground. Then the teachers and students followed suit. Some of us picked brooms and started our job. Some of the students did the dusting of the college main Road. And others went to the play ground and started picking wrappers lying scattered there. After collecting them they threw them in to the dustbins. After doing this job for more than an hour, we all assembled in the college main Canteen. There we were given refreshment in the form of bananas and juice.

Thereafter our Principal delivered the speech telling us the importance of sanitation. She also honored the sweepers, NSS volunteers of the College for their noble job. In the end we all took oath of keeping our College, home, locality and city clean. It was a unique experience for all of us. We were curious to be the part of this great drive that could have transformed the face of our country for ever.

At the end Dr Satinder Singh Presented the vote of thanks to all the NSS volunteers, faculty Members and also urged the students to take part in future with more enthusiasm and zeal. Thank you for your support and cooperation.
